

Foundation Stage Flyer

Spring 2 2015

Personal Social Development

We shall be continuing to story tell with our 'Querks' and discovering how they have new experience and link those to our own

Our confidence will develop as we begin our swimming Lessons.

Reading and Writing

This is the term when we will be trying to be authors; writing stories, giving the book a title and illustrating them too.

Communication, language and understanding

We have to learn to listen carefully to our partners and answer their questions about what we have been doing.

2468
math scavenger hunt

1357

Mathematics

We will be counting in 2's 5's and 10's
We will be problem solving using both addition and subtraction. We will then be counting higher than 20 and maybe even to 100!

Understanding the World

In our topic work we will be learning about Easter.
We will be looking for signs of spring in our school ground...
Who will spot the first crocus and daffodil?

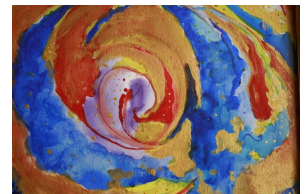

Expressive Arts and Design

We will be mixing colours using only the primary colours, and using them to paint pictures. I wonder what colours we will make.

We are trying to think of ideas to use in our role play hopefully this will be outside as the weather becomes warmer.

We always enjoy our daily creative challenge.

Physical Development

Part of our physical development is learning to write and hold pencils, as we develop the muscles in our hands, arms and shoulders our handwriting will improve. We will then be able to write for a longer time without getting tired.

Our PE lessons have changed to a Thursday and we will be developing our gymnastic skills. It is really helpful if children have their PE kits in school EVERY day though...just in case!

Helping at home

Read and discuss lots of stories, always write letters and numbers carefully remember to hold pencils correctly. Don't forget to check the homework.

Websites to help us:- www.phonicsplay (phase 2 and 3)

Www.Topmarks/foundation literacy or numeracy :(lots of games to play)

Www.twinkl.co.uk has lots of phonic and number apps for the ipad
