PARENTS' EVENINGS

We hope you found this week's parents' evenings useful and informative. Teachers will be happy to meet with parents who weren't able to make it at another time. Just give us a call to make an appointment. **Parents are welcome to come in and look at books with the children after next Friday's assembly.**

TURTLES CLASS ASSEMBLY

Well done to the Turtles for their brilliant class assembly yesterday. It was great to find out how much learning they have done based on Jack and the Beanstalk during this term. The children's confidence is developing so quickly and it is a real pleasure to watch this happening! Keep checking the school website for photos of the children's learning!

DECORATED EGG COMPETITION

As usual at Easter, we'll be holding our annual decorated egg competition for the children. Eggs should be brought to school on **THURSDAY 3rd APRIL** so we can let you know who has created our favourites during our final assembly of the term. Please ensure that eggs are clearly labelled with your child's name and class.

Well done to our highest point scorer for the last week: **Scot Jones (15081pts)** Using Mathletics regularly will really help the children become more fluent with their maths!
WELL DONE SCOT!

OUR ICT WORK

If you're interested in finding out more about the learning that the children have been doing in ICT this term, take a look at the school website 'useful links' pages and have a go at some of the challenges yourself!

CHIP DAY IS BACK ON!!

Our Kitchen ventilation refurbishment is now completed. We're pleased to announce that for children who have packed lunches, 'Friday Chip Day' is back on! If you'd like your child to have a school dinner on a Friday please bring payment of £2 to the office on a Monday.
