

PUFFIN POST

Summer 1 2012

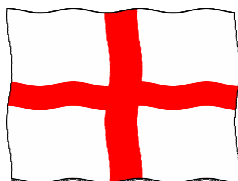

Topic

We will be completing our work on castles this half term. We will be experiencing medieval life first hand when we explore Alnwick Castle and participate in medieval activities. We will be learning about a famous knight, St. George and finding out why he is so important to us.

Literacy

We will be developing our knowledge of information texts and stories through our work on St. George. We will look at the real St. George through non-fiction texts, developing our use of the contents page, the index page and the glossary to find

information and answer questions. We will then produce our own non-fiction writing about St. George. Through the stories told about St. George we will be developing our knowledge of story structure and we will orally tell and write our own versions.

Numeracy

Our Numeracy work this half term will include counting objects in sets of 2 and 10. We will begin by counting pairs of socks and shoes (as long as they're not too smelly!). We will also be sharing objects into equal sets and finding half of a given number of objects.

Just a little reminder

PE—Friday
Swimming—Thursday

Please make sure your child has the equipment they need for swimming and PE.

We encourage pupils to leave their PE kit on their peg in school for the half term.

Puffin assembly

Please join us for our class assembly about St. George on Thursday 26th April at 9.00am.

Homework

Your child will continue to come home with a homework book which will contain a few different choices for them to complete. Pupils do not need to complete everything on the list. They can choose the activities they would like to do. Homework will be set every Monday and pupils will be given a chance throughout the week to share work they have completed at home. Please encourage and support your child to complete their homework.
