

PUFFIN POST

Summer 1 2013

Topic Work

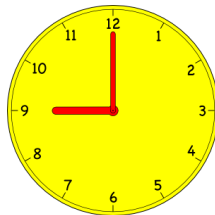

This half term we will be continuing our work on Pirates. We will be looking at real facts about Pirates including life as a pirate, pirate ships, the pirate code and the famous pirate 'Blackbeard'. Use the following website to find out about Blackbeard and other famous pirates.

www.bahamas4kids.com/famous_pirates.html

Numeracy

Our Numeracy learning includes telling the time using both analogue and digital clocks. This can be very tricky! To support your child have a go on the games on the following websites.

www.bbc.co.uk/bitesize/ks1/maths/telling_the_time/play/
www.maths-games.org/time-games.html

Literacy

The Puffins will continue to work in small teaching groups for focused teaching to develop reading and writing skills. The following websites have a variety of fun games to support the development of your child's phonics skills.

www.bbc.co.uk/schools/wordsandpictures/index.shtml

www.ictgames.com/dinosaurEggs_phonics/

RE

The Puffins will be learning about Judaism this half term. Your child can find out lots of interesting facts about Judaism using the following websites.

www.chiddingstone.kent.sch.uk/homework/religion/jewish.htm
www.bje.org.au/learning/judaism/kids/

Pirate Day

At the end of our work on Pirates we will be having a Pirate day in the Puffins class so start thinking of your costume now!

Watch out for details on our weekly newsletter.
