

Safety Day

Our Safety Day Assembly was attended by a huge number of parents as well as representatives from the police, RNLI, Fire Service, Coastguard and Ambulance Service, all wearing their full protective kits! There were some really creative costumes worn by the children and staff showing a really wide range of clothes and other things (such as traffic lights and zebra crossings!) that help keep us safe. The importance of wearing a bike helmet was highlighted by our 2 friendly eggs who had terrible accidents and fell to the floor. Only the helmet wearing egg survived! Look out on the website for a gallery of Safety Day images.
