## Understanding the World

This half term we are going to be learning about our culture by finding out about St George. As the weather improves we are going to be spending lots of time in our garden. We would greatly appreciate any seeds and plants that will help to make our garden beautiful.

## Physical Development

If the sunshine's we will be doing PE outside so could you please ensure that your child has a pair of suitable footwear. We are going to be playing lots of team games in preparation for sports day.

## Some Seahorses will soon be Turtles...

As September draws nearer we will be preparing some of the Seahorses for a smooth transition into the Turtles. We will be encouraging the children to be more independent. We are also going to be doing lots of activities to help us practise our pencil control.

## STORY ROOM LAUNCH!

Look out for the launch of our new story room during the next half term. If you could spare an hour a week to share stories with the children could you please speak to Mrs Scream. The more the merrier!

## Personal, Social and Emotional development

We have been learning lots from our special friends 'The Querks'. We are going to be talking about our own experiences such as special events and the people who are special to us. We shall be expressing our feelings talking about the things that make us feel that way.

We are continuing to practise the skills we need to be good listeners, these are to **sit** up straight, **look** at the person who is talking and **think** about what they say.

## Mathematics

We are going to be looking carefully to spot the odd one out in groups of pictures and objects. We will also be looking at patterns and how we can continue them.

## At home you could...

- Continue to contribute to the children's 'Home School Diaries' by commenting on things that your child has been doing at home. So far the children have thoroughly enjoyed sharing them with the rest of the class.
- Share as many stories as you can with your child, it's a great way for children to become familiar with books and promote reading as an enjoyable activity
- Share some nursery rhymes such as Twinkle, Twinkle, Humpty Dumpty, Hickory Dickory Dock and Baa, Baa Black Sheep. Counting songs such as '5 green bottles' are an excellent way for children to practise their counting up to 5.
- Encourage your child to become more independent by helping them practise to put on their own coats, and shoes
- Try this website for some fantastic counting games—[www.topmarks.co.uk/Interactive.aspx?cat=1](http://www.topmarks.co.uk/Interactive.aspx?cat=1)

## Flyer *Physical Development*

We will do P.E one morning per week either in the school hall or outside. Seahorses only take off socks and shoes so no need for PE kits, The Turtles need a PE kit (white t shirt and black or blue shorts) in school everyday.

---

We love being outside and try to be out everyday so appropriate clothing is essential. Please ensure that your child has a coat left at school everyday.

# Foundation Stage

- Encourage your child to become more independent by helping them practise to put on their own coats, hats, gloves and scarf's.
