### READING AT HOME

Reading with your child at home regularly is a proven way of helping them improve in many aspects of their school work. Please try to read with your child as often as possible and record this in their reading record. The children love to progress through the coloured reading boxes which can only be done through lots of reading!!!

### TRYSCHOOL DINNERS!

Most children in school now have one of our delicious school dinners. These dinners offer great value at only £2.00 per day. For children who have packed lunches, we offer the opportunity for them to have a school dinner on a Friday. These dinners are usually 'chip days' with either sausages, fishfingers or fish portions. If you'd like your child to have a dinner on a Friday please let Mrs Green know on a Monday morning.

### KEEPING OUR CHILDREN SAFE

We've become aware that there are a number of people parking illegally on the yellow zig zag lines outside our school entrances. This is dangerous for children and parents crossing roads around school. The police are aware that this is happening and have the power to give fixed penalties if necessary.
