

# Foundation Stage Flyer

## Understanding the World

As the year changes and the weather cools we will be finding out about Autumn. If you are out and about and see signs of Autumn please bring it in to share with us. Our Role Play Area is led by the children so we will be asking them what it should be. Come and see what it

## Physical Development

We have noticed that all the children have their PE kit at school. Well done! We shall be using it every week in the hall. We will be starting with finding our own spaces and moving in different ways around the

## Literacy

We have started Read Write Inc with your child. This will help your child to learn the sounds to help them read. Look out for them bringing stickers home to put on their RWI sticker chart that you have already been given. Children will also come home with a book to share with you. Look out for the different stories that you can read to them.

## STORY ROOM!

Children are still very enthusiastic about using our story room. Parents still come in and share stories with our children. If you would like to help see Mrs Screaton.

## Mathematics

This half term we will be starting our new scheme called 'Maths Makes Sense'. Your child will be working with numbers and using cups to help them count. They will also meet 'Cupman' who will show them what to do! We will be making our own 'Cupman' so the children can use them at home.

We would like to welcome Mrs Wilkinson to our team. She will be working with us every week. Please come in and say hello.

## At home you could...

- Continue to contribute to the children's 'Home School Diaries' by commenting on things that your child has been doing at home. We all really enjoy sharing them and seeing what the children's interests are out of school.
- Try this website for some fantastic counting games—<http://www.topmarks.co.uk/Interactive.aspx?cat=1>
- Practise handwriting with your child by using the Read, Write, Inc rhymes and the number rhymes to correctly write the letters and numbers remembering to hold the pencil between finger and thumb.
- Keep checking the website to see the fun your child is having at school and how well they are learning
