

PTA SUMMER FAIR -NEXT WEEK!!

It's the PTA Summer Fair after school on Thursday! We've already had lots of entries for the Balloon Race which will take place at 4.15pm. There should be lots of stalls for you to come and spend your money on too. We're still looking for donations for the Tombola and also for the Cake Stall (small treat available in the office for children bringing in donations!)

The PTA would also be most grateful if any parents would volunteer to help out with stall/activities. Also, we're still short of a goalkeeper for a penalty shootout - any volunteers??

TURTLES PE KITS

In preparation for moving into Year 1 the Turtles Children will be having outdoor (hopefully!) PE lessons on Wednesday afternoons. Would parents please ensure that children have a full PE kit in school.

Headlice Information

There have again been a few incidences of headlice reported in school. This problem should not usually be a reason to keep children off school though. If you find headlice please try to follow the simple advice given on the NHS Choices website: *Head lice can usually be effectively treated using medicated lotions or by wet combing, using a specially designed head lice comb. Wet combing can be used without medicated lotions, but needs to be done regularly and can take a long time to do thoroughly. Medicated lotion or spray can be used as an alternative. However, no medicated treatment is 100% effective. Your pharmacist will be able to recommend an over-the-counter lotion or spray.*

Once this is completed there should be no reason why children cannot come back to school. By doing this regularly headlice will also be prevented.
