For just £3 the children will also get a hot dog, drink and some sweets while they enjoy the film with their friends.

E-SAFETY COMPETITION WINNERS

Well done to the winners of our E-Safety Poster Competition who have won vouchers for the school shop. All children who entered the competition were awarded with a number of prizes for their efforts too! Our winners were: Shannon Taylor, Kacey Thompson, Libby Forsyth and Katie Short. Thanks to everyone who helped their children with posters. Please don't forget to always keep a close eye on what your children are doing online and reinforce the safety messages we give at school.

End of Year Events

It's now only 6 weeks until we say goodbye to our Year 4 children as they leave us for Middle School. It's a really busy time for these children who have lots going on in their final few weeks with us. They are already thinking about their Leavers' Performance' which will be held on the evening of Monday 14th July. **Tuesday 8th July** is our **Transition Day** when the Y4 children will spend the day at Middle School whilst the other children will spend the day in their new classes.

SAFETY ON BUILDING SITES

You may be aware of the building work that is taking place near Dandsfield Square at the moment. Children are often very tempted to explore these sites which can be very dangerous indeed. During the next few weeks we hope to have a visitor to an assembly to talk more about this. In the meantime we recommend that you take a look at www.ivorgoodsite.co.uk with your children. There's lots of activities, games and useful information available there.

Well done to our highest point scorer for last 2 weeks : **Grace Armstrong** won both weeks with 7022pts and 7018pts. The class which won the most awards in both weeks were the **Puffins** with 12 and 7 certificates.

KS2 COUNTRYSIDE DAY

On Thursday the children left school early to travel to the Children's Countryside day near Wooler. There was lots to see and do including learning about tractors and farm machinery, fire engines and first aid and how to use a defibrillator.

The exhibitors had lots of gifts to give to the children including a timer to make sure they brushed their teeth for long enough, woodcraft jewellery, wrist bands, pencils and workbooks. In the central arena there were demonstrations of sheepdog trials and birds of prey. As usual our children were commended for their good manners and behaviour. We all came home having had a super day and with bags full of 'goodies' to help us remember it.

Some of the children even got an appearance on the ITV news on the evening. Thanks to all of the staff and volunteers who helped make the day so enjoyable. Yet again, the children were praised for their good behaviour.
