

Website

Our new school website is up and running fully now; take a look and let us know what you think of it. We will be trying to update the galleries page on a very regular basis too so keep checking! Updates from some sections of the site are also shown on our school Facebook page. We also have the facility for children to 'Blog' their work created in NORTLE to the internet.

Daisy McManus

PTA NEWS!

The hard work of our PTA has really paid off this week with the addition of our new bike shelter and our new stage (just in time for Christmas performances!) Our PTA do a fantastic job to raise money that allows us to buy nice new items for the school. Please try to support them in any way you can, whether it is attending their fundraising events or even joining them! **See back of letter for**

BIKE SHELTER

Children are now able to bring bikes and scooters to school and leave them in the bike shelter during the day. We have agreed as a school that for children to be allowed to leave their bikes or scooters they:

MUST have a helmet with them.

SHOULD NOT ride in the school grounds.

We also recommend that bikes are locked up as school will not take responsibility for any loss or damage to bikes left.
