

# The Great Amble Elf Hunt!

13 of us have dug our ways out from the cold dark hole that Mr Heeley put us into last year.

We're now hiding in the windows of shops and pods of Amble. Can you find us all? If you find one of us, scan us with a phone to find our names, get a secret letter, and hear a really bad elf joke.

Why not spend a little time searching for all of us over the weekend. Once you've found us and written the secret letters down on the back of this sheet, you can rearrange the letters into the boxes to find a message for Mr Heeley.

We're not going to be hiding for long! Forms need to be brought back on Monday so the children can tell Mr Heeley what they've been up to and about the message we've left him. We'll give prizes for complete forms!
