

### WORLD BOOK DAY

We were very impressed to see some amazing costumes for our World Book Day Celebrations today. It is so pleasing to hear the children talking so enthusiastically about their favourite books, characters and authors. We really appreciate the effort parents

have gone to with costumes and with taking photographs of the children reading in some very unusual places. Today, each child has been given a £1 book voucher which, we hope, will help towards them choosing a book for themselves.

As well as reading at school, regular reading and discussing books with adults at home help the children to become better readers much more quickly.

### ICT FUN

The KS1 & 2 children have been learning about Simulations in ICT. Use the 'Links' section on the school website to try out some of the websites we've been using!

### Y2 VISIT TO THE WOODS

The Y2 Puffins enjoyed a bright, frosty morning at Hulne Park. We rambled through the woods being introduced to the variety of trees that grow there by Mr Peter Lowes. We learned about the wildlife that lives in the woods and their impact on the woodland. We enjoyed eating our apples sat under the trees, leaving all our apple cores for the squirrels to have for lunch! A great morning was had by all and we even got some reading in!
