

Mud, Mud, Glorious Mud!

As part of our continuing development within the Foundation Stage Unit Outdoor Area we are developing a 'Mud Kitchen.' We hope that the children will have many wonderful mud pies 'baking' in the 'cooker'. We would really appreciate any donations of any old or unused kitchen utensils such as pans and cutlery to help make our kitchen even more special. We hope to have made many interesting concoctions as the summer progresses. Please bring any donations to Foundation Stage.

Play Leaders

We're currently having some work done in our playground to build an outdoor store to make our outdoor play equipment more accessible. We're also working with Play Rangers from Northumberland County Council to train a group of children to become Play Leaders. These children, from our current Years 2 and 3, will be expected to 'apply' for this role as there are a limited number of places. The successful children will be expected to lead games and make sure that any children who have no-one to play with are encouraged to join in. The children who complete the training will be awarded with a certificate and have a fluorescent vest to wear when they are on duty. Look out for our new Play Leader of the Week Award coming soon too!

Bringing Bikes to School

It's really pleasing to see so many children coming to school on bikes and scooters. Please don't forget that children coming to school by bike MUST also have a helmet with them if they wish to leave their bike at school. It is a good habit to get the children into early and can potentially save their lives if they were to fall off their bike, even at low speed.
