

### After School Activities

Our first week of after school activities has been very successful. The children have enjoyed using the Wii on the big screen, decorating biscuits and doing lots of other activities. Remember that this provision is on offer every evening after school. We'll let you know about more specific activities that will be taking place as and when they become available. **If anyone has any Wii games that they have no further use for we'd happily give them a good home!!**

This was set up for those families and single people who find themselves, for whatever reason, in severe financial difficulties. If you are going through hard times at the moment, or perhaps know someone else in Amble, Warkworth or Hauxley who is, please speak in confidence to a member of staff who may be able to refer you to the FOODBANK for an emergency parcel.
