

Foundation Stage Flyer

Autumn 1

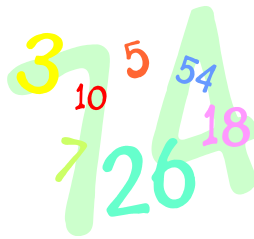

Personal Social Development

We are going to learn about the 6R's. We are finding out about how unique we are and what makes us so special. We are discovering about our families

Mathematics

We shall be learning about Maths Makes Sense and who is cup man!! . We will be able to make and read a maths story. We will be counting to 10 and ordering the numbers to 10 Look out for our display about numbers

Understanding the World

We are always gardening weeding and picking blackberries! Learning about our families and who are our relatives. We shall be needing lots of photographs of our families to share with our friends. As autumn approaches we shall look for signs in the garden and around Amble.

Reading and Writing

This is an exciting term, as we are beginning to learn to read and write. We will be learning a new sound every day both reading and writing it. Once we have learnt a few sounds we shall blend them to make words which can read and write.

Our author is Nick Butterworth...I wonder which books he wrote!

Communication, language and understanding

We shall be listening and talking to our friends in small groups, thinking about what we say then how to both ask and answer questions

Expressive Arts and Design

Our painting is going to involve us mixing paints trying to make autumn colours. Have you seen our stage yet ? We shall be using puppets, dressing up and singing songs , retelling stories we know or making up our own.

Physical Development

Hopefully we shall have a PE specialist teacher working with us this term on gymnastics. As long as the weather is fine our PE lessons will take place outside so we need our sandshoes. We shall be outside in the garden as much as possible, but if the weather is wet we may get muddy, so a change of clothes in our bags would be useful.

Helping at home

Read and discuss lots of stories, always write letters and numbers carefully remember to hold pencils correctly. Don't forget to check the homework. You could be our first homework hero!

Websites to help us:- www.phonicsplay (phase 2)

www.Topmarks /foundation literacy or numeracy :(lots of games to play)

www.twinkl.co.uk has lots of phonic and number apps for the ipad
