| ***NEW*** Monday 11th April | Teacher Training Day School Closed to children |
| ***NEW*** Tuesday 12th April | School Reopens for Summer Term |

Y3 Beach Trip and Projects

Our Year 3 Sharks have had an exciting few weeks with their 'Rock and Roll' project through which they have been learning about life in the Stone Age. This week they have visited the beach, where they thoroughly enjoyed making Stone Age tools and weapons, creating cave paintings and looking for signs of erosion. We have also been really impressed with the projects that the children have been working on at home since January; take a look at the school website to see photographs of all of the projects. We'd like to thank all of the parents who helped at the beach and who have helped with the projects. This work at home has really helped improve the children's knowledge and understanding of the topic. We'll look at some of the projects in next week's assembly.

Quiz Night Total

Thank you to everyone who came along to last week's PTA Quiz Night. It seems that a great night was had by all. **£325** was raised.

PARENTS' EVENINGS

Don't forget to sign up for Parents' Evenings! Staff will be outside with timeslots next week. As we have a very busy diary and you'll have a chance to look at books at Parents' Evenings we will not be organising a time after an assembly for parents to come to classes during this short half term.

ANTI-BULLYING ACCREDITATION

We're very pleased to announce that Amble Links has been reaccrated as an anti-bullying school this week. A big thank-you must go to Miss Lightley who completed a very comprehensive file to be assessed under a very tough new framework.

PTA MOVIE NIGHT

It's Movie Night again on Friday 18th March for children in Years 1-4. We're going

back in time again and will be watching E.T. Please ensure children are at school promptly as we'll only just be able to squeeze the film in before 7pm!

Decorated Egg Competition

We will be running our annual decorated egg competition again this year and will announce our favourites in assembly Thursday 24th March. All children entering the competition will receive a small prize. Please ensure that all entries are brought to the hall on **Wednesday 23rd March** (not before please) and include your child's name and year group. We look forward to seeing the great ideas that the children have had to create their eggs.

THANKS FOR ALL THE DONATIONS FOR THE EASTER RAFFLE SO FAR—PLEASE KEEP THEM COMING!

EY Police and Fire Service Visits

As part of their topic about people who help us, our Early Years children have enjoyed visits from the police and the fire service this week to find out more about what they do. Photos are on the school website. PCSO Darin Fawcett also came to school to talk with us about being a good citizen.

WELL DONE to Daniel Straughan who earned the most points in Mathletics last week with a huge total of 11441.
