Monday 18th July	5pm Year 4 Leavers' Performance
Tuesday 19th July	Y4 Leavers' Awards + Y3 and Y4 disco
Wednesday 20th July	2pm—SCHOOL CLOSING FOR SUMMER HOLIDAY

JELLYFISH CLASS ASSEMBLY

Well done to our Year 1 Jellyfish for their dinosaur themed class assembly yesterday morning. We were amazed by their knowledge of so many different dinosaurs and some of the technical vocabulary they were using such as 'palaeontologist', 'herbivore' and 'carnivore'. The children sang us a great dinosaur song and showed us some of their artwork linked to the topic. Well done Jellyfish!

A FLUTTER OF EXCITEMENT FOR THE TURTLES!

There has been great excitement in the Turtles class this week as some new additions have arrived. After watching our tiny caterpillars eat, grow and form cocoons, beautiful butterflies have emerged this week. The children are incredibly protective of their butterflies and have been thrilled watching their life cycle.

FLU POSTER COMPETITION OPPORTUNITY

Coquet Medical Group have invited pupils from our school to take part in designing a flu poster (on an A4 sheet) for their flu campaign which begins in September. There will be prizes for the lucky winners and all entries will be laminated and displayed in both Amble and Broomhill Health Centres. All entries should be returned to school by Friday 1st July and should include your child's name, age and school on the reverse. Hopefully we will see some really creative and colourful ideas!

DON'T FORGET TO GET YOUR QUIZ NIGHT ENTRIES IN! THIS IS USUALLY A VERY POPULAR EVENT AND PLACES ARE LIMITED!

YEAR 4 STRIKING AND FIELDING FESTIVAL

Our Year 4 Penguins visited JCSC this week to take part in a 'Striking and Fielding' Festival. The children took part in a range of activities to develop their skills. Take a look at the website gallery for some action shots. Yet again, staff were extremely proud of the children's behaviour whilst out.

PE KITS

During next half term it is likely that the children will be taking part in PE lessons on different days to normal. **Please ensure that they have a PE kit in school every day and that this includes sandshoes or trainers for lessons outside.**

COMPUTER ROOM CHANGES

Over the next few weeks we will be making some changes to our computer room to develop it into a more flexible space. The room is likely to be out of use for a number of weeks as we do this. This means that there will be less opportunity during school time for children to complete any online homework including Mathletics. We'd really appreciate it if children could be given further opportunities to do this at home. Thanks for your support.
