Friday 5th June	7pm—PTA Quiz Night
Wednesday 24th June	PTA Summer Fair

DECORATED EGGS

Yet again we were amazed at the quality, variety and creativity seen in the decorated eggs that came to school this week. A small prize was awarded for every entry. Our favourite entries for each year group were created by: Daisy Boutflour, Freya Todd, Riley Moore, Katie Short, Chloe Wilkinson and Bethan Moore. WELL DONE ALL!

YEAR 4 CLASS ASSEMBLY

Well done to Year 4 for the fabulous show that they put on for us in their assembly yesterday morning. Children and staff looked amazing in their Egyptian finery. Mummies, dads and relatives were treated to a very funny lesson in embalming from Cameron, who even managed to make the dead Pharaoh return to life a number of times! Take a look on Facebook and the website for photographs.

NEW E-SAFETY RESOURCES

We've added even more resources to the E-Safety section of the school website this week. There is now a parents' guide to Instagram available to download as well as links to a new NSPCC resource called 'Share Aware' which helps children to understand what is safe to share online and what isn't. Take some time to have a look at this and discuss with your children.

SCHOOL SHOP NEWS

Mrs Britton spends many extra hours each week making cakes ready for our school shop which has raised thousands of pounds for the school. As Mrs Britton is busy preparing for her wedding during next half term (as well as doing her everyday work) she has decided to take a break from running the School Shop until after half term. We hope our shop customers understand this and we'll look forward to more tasty treats again in June.

COMPUTER WORKSHOPS FOR PARENTS

We provide the children with access range of websites that we subscribe to. These resources are very popular with the children who use them regularly in school, at after school clubs and at home. On Monday May 11th during two after school sessions we will be offering parents the opportunity to see (and try) some of these resources to get a better understanding of how the children use these in school and how they can be used at home. Places for these sessions will be strictly limited. Look out for further information after the Easter break.

SCHOOL RE-OPENS FOR THE SUMMER TERM ON TUESDAY 14th APRIL.

PTA CHOCOLATE RAFFLE AND PYJAMA DAY

Thank you. PTA raised £425 and £135 was raised for EdUKaid.

HOLIDAY HOMEWORK

We have not set any specific homework for during the holidays and have kept the children's homework books at school to review. We ask that during the holidays children continue to read on a regular basis and use Mathletics and Spellodrome. This will really help keep them up to speed ready for the most important term of the year that is coming up in which assessments of how the children are doing are made.

Last week's **MATHLETICS WINNERS** was
DEBORAH BURN with 8210pts
