On the Search for Governors

We're currently looking for people who might be interested in joining our governing body and help move us forward as a school. The role is very rewarding and involves supporting and challenging the school. If you know of anybody who has particular skills such as accounting, or running a business that may be willing to give up some time to support us then please point them in our direction.

BAGS 2 SCHOOL THURSDAY

The blue Bags 2 School bags have been sent home with children this week. We hope as many of you as possible can fill these with any unwanted clothes and return them to school in time for the collection deadline of Thursday 16th October. It would really help us if you could keep the bags at home until the week of collection as we have very limited space in school.

HARVEST FESTIVAL HELP NEEDED!

As usual the children will be celebrating harvest in an assembly with Reverend Diane on Thursday. As in previous years we are asking children to bring in any fresh vegetables that will form the backdrop for our assembly before being turned into soup later that day. Parents will be invited to share some of our soup with us after assembly next Friday morning and we will be asking for donations that we will be able to send to the charity that our newly appointed school councillors choose for us to support.

We would be very grateful if any parents could volunteer some time next Thursday to come along and help us turn piles of vegetables into soup!!
Please let us know in the office if you can help!
