OFSTED REPORT NOW PUBLISHED

We were very pleased to announce the final outcome of our recent Ofsted inspection this week as our final report was published. Following our short inspection we were judged to remain as a 'good school' under Ofsted's very tough new framework. The report is very positive about the work we do at Amble Links and is testament to the many hours of hard work put in by staff and governors along with the good support we receive from parents. During the inspection visit the children demonstrated how well they are learning and how well they behave and were a credit to all of us. The final report is available to download from the school website and there is also a link from our Facebook page. Hard copies of the report are available to read in the school entrance area and are available from the school office on request.
