

MacMillan Coffee Morning

It's our MacMillan Coffee morning next Friday (28th September) straight after assembly. Please join us for a coffee and a piece of cake to help raise funds for this worthy cause. **Any donations of cakes would also be welcomed!**

HARVEST PLANS

After the success of last year's Harvest event we'd like to do something similar. Again, we'd like to the children to bring in any vegetables that could be used to make soup with at the start of the week beginning Monday 8th October. Reverend Diane will come into school to lead a Harvest assembly with the children. We'd then like to make a range of soups from the vegetables that have been brought in for Parents and visitors to taste after our usual Friday assembly on 12th October. The children will also be able to taste the soups on offer. Last year we relied on the help of a very small group of parents to help make the soup—if we could get a good number of parents to help us this year we could make light work of the vegetables!! We'll provide tea and coffee too!!!

Please let us know at the office if you'd be willing to help out on Thursday 11th October...we'll let you have more information as we have it!

KEEPING UP WITH THE KIDS MATHS

10 parents have signed up for the above free course already—the course begins on Tuesday at 1.30pm. **There are a few spaces still available if you're still interested in signing up—let us know at the office!**

STARS OF THE WEEK

Alexya Wright
Alex Hale
