

Sealions Impress Us With Their Fiddling!

We were pleased to welcome a hall full of parents from Amble Links and St Cuthbert's this week. Our Sealions class impressed us with their dancing and fiddling skills. Well done to Mrs Cartledge and the Sealions for learning so many new skills in such a short time! We were all amazed at how well synchronised the performers were despite some quite large height differences!

Cross Country Success!

Mrs Goodfellow, Amble Links First School's very own Olympic Torchbearer, took a group of Year 2 children to Rock Hall School on Wednesday to take part in cross country running competition. You'll be pleased to hear that all of the children did the school proud and were praised for their excellent behaviour. There were some tremendous performances amongst them too: notably Bobby Stone and Leah Ayres who both came 3rd in the Year 3 boys and girls races. Well done to all of the children who took part and 'Thank You' to Mrs Goodfellow, Mrs Lillico and Norman Morton (one of our governors) for taking the children.
