

Olympic Torch in Amble

The Olympic Torch is due to come through Amble at about 8am on Friday 15th June. We don't have final details yet but hope to have a place next to the main road near Castlemania for the children and parents of Amble Links to see it from. Due to the time of the event we will not be supervising the children although it is likely that many school staff will be there. Parents should aim to bring their children to school for the usual start time once the torch has passed through. In the unlikely event of the torch being delayed we will understand if children are a little late to school.

Sealions Explore Amble

This week the Sealions have enjoyed a walk around Amble as part of this term's topic. They took lots of photographs of local landmarks and will soon be marking their locations onto maps. Well done to the Sealions for their excellent behaviour—you'll soon be experts on Amble!

FISHY GOINGS ON IN YEAR 4

This week, our Year 4 Starfish class enjoyed a very exciting science lesson involving the dissection of some fish. The children have been learning lots about bones during this term so we thought they'd learn lots by finding some real skeletons - inside fish! There were some interesting reactions as the children took their knives (and forks) to the fish! We apologise for the lingering smell near the Starfish classroom!! **See website for more pics.**

THANKS FOR ALL THE BAGS!

Many of the children have entered a competition this week to name a special Jubilee Jam created by Pride of Northumbria. Let's hope we have a winner!!
