

Foundation Stage Flyer

Summer 2

Personal Social Development

We always try to remember the 6R's and which ones we can demonstrate in school. We are concentrating on being 'resilient' this term making sure we don't give up with our work. Always trying our best with everything we do. We are now in challenge groups and have challenges to complete every day, we need to be resilient and responsible to do this

Mathematics

In Maths Makes Sense this half term we will be learning about time and what a clock face looks like. We shall discover what we can do in 1 minute and using timers to complete task around school.

We will be adding and subtracting up to 20 and recording our calculations.

Understanding the World

Our garden still needs lots of work so we shall be weeding and watching the fruit grow.

While we are in the garden we will spot mini beasts and learn about their habitats and life cycles. Worms are

Reading and Writing

We are using different forms of writing, lists, instructions, and non-fiction. We will try to write in all areas of the unit. We are finding out about the characters in the stories and then be able to give a book review on the stories by the author, Jane Hissey.

We shall also be learning to make up new rhymes for well known nursery rhymes eg Humpty Dumpty sat on a log.....What would come next!!

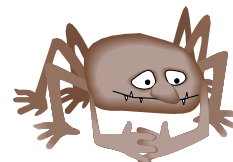

Communication, language and understanding

Talking to our friends, asking them questions about what they are doing is an important part of learning, so we shall continue to work with partners.

Expressive Arts and Design

We are using lots of different mediums to make pictures and collages. We have rearranged our creative area we can design and make so many more things now.

We plan to use clay salt dough to model some mini beasts

Physical Development

We have a PE specialist teacher who is continuing to work with us this term on multi-skills, we hope we enjoy it as much as last term! Our PE lessons will take place outside so we need our sandshoes. We shall be outside lots if it is sunny please make sure the children have hats and sun-cream thank you. We hope to build dens using willow and

Helping at home

Read and discuss lots of stories, always write letters and numbers carefully remember finger spaces and full stops and hold pencils correctly. Don't forget to check the homework and be our next homework hero!

Websites to help us:- www.phonicsplay (phase 2 or 3 activities)

www.Topmarks/foundation literacy or numeracy :(lots of games to play)

www.twinkl.co.uk has lots of phonic and number apps for the ipad
