

### TRANSITION DAY—TUESDAY

As you will have seen from the letter you received earlier this week, it is transition day on Tuesday. The children will spend the day in their new classes with their new teachers. The children should be brought to school at the normal time and to their normal entrances and will be moved along to new classes later in the morning. Nursery children moving into Turtles should come to school at 8.45am and be collected at 3.15pm whilst other nursery children should come along at their usual times.

YEAR 4 children will be spending the day at the Middle School and we hope that a letter from the Middle School will arrive soon. Information we have so far is that the children should be taken to the Middle School to register between 9.00am and 9.15am. They should wear top half uniform, tracksuit bottoms and trainers as they will be doing PE during the day!

### QUAD KIDS

On Wednesday we hosted the area Year 4 Quadkids events which involved children from the partnership first schools taking part in a series of track and field events.

Despite the event needing to be cut short due to rain, we're please to tell you that Amble Links came second overall. We are also very proud of the performance of Lewis Fairbairn who came second overall in the individual boys' competition.

### Young Citizen Award Nomination

Darin Fawcett, our local Police Community Support Officer came to visit us on Wednesday to announce the name of the child who we have nominated to enter this year's Amble and Warkworth Young Citizen's Award competition. The nomination from Amble Links is

Ella Henderson who has proved to be a fabulous example of the qualities required: being honest, caring, responsible, respectful and brave. Ella and her family have now been invited to the Fourways Centre next week to meet those nominated from other schools and to find out who this year's overall winner is. Good Luck Ella!
