FIREWORK TICKET WINNERS

We drew out 3 children from our Stars of the Week, Workers of the Week and Homework Heroes from the last week of term to win the Family Tickets to the Alnwick Fireworks Display brought in by PCSO Darin Fawcett. Our lucky winners were: Libby Forsyth, Libby Mitchell and Sophie Boutflour. We hope you have a great time!

CHILDREN IN NEED

Next week is Children in Need. This year's theme seems to be around ears. In return for a £1 donation children can come to school out of uniform, either in their own clothes or a Children in Need themed costume. We will be on the lookout with some prizes for some of the most unusual ears!! As usual we will also be sending home a small box of Smarties with each child-we ask that the children eat the Smarties and then fill up the empty box with coins and return it to school. All of this usually helps us collect a very generous donation for such a good cause.

Holidays During Term Time

We have a clear policy regarding holidays during term time which is detailed on absence request forms available from the office. To ensure consistency the schools in the Coquet Partnership have all adopted the same approach regarding the non-authorization of holidays and use of fines where necessary. There have been a number of occasions lately where children have told us they are going, or have been on holiday whilst family members have phoned school to say the children are poorly: the children love to tell us about where they have been and what they have done on their holidays!

All absences from school, whether authorised or unauthorised, affect a child's learning. Please let us know as soon as you can if your child is poorly or if you plan to keep them off school for another reason. We have a legal obligation to keep an accurate register of each pupil's attendance and records of reasons for absence from school.

We appreciate your support in this matter.
