OUR FINAL REWARD ASSEMBLY OF THE TERM WILL BE ON THURSDAY 2ND APRIL
PARENTS ARE WELCOME TO ATTEND AS USUAL.

EASTER CHOCOLATE RAFFLE

Thanks to everyone who has already contributed towards our Easter Chocolate Raffle. The draw will take place after assembly on Thursday 2nd April. Tickets are on sale at the school office but can also be purchased online using the link below:
<https://pay.sumup.com/b2c/QJHFEUZV>
We also ensure that ALL children get an Easter egg to come home with so nobody should be disappointed!

KITCHEN VACANCY

In Mrs Christie's absence, we are currently advertising a temporary post for a Kitchen Unit Manager. We're looking for someone who will be able to slot quickly into our school kitchen team and have the interest, ability and experience to lead on the preparation and serving of up to 200 meals per day. There will be an opportunity for the successful candidate to put their own stamp on our school menu. Full training and support will be provided to ensure that whoever we appoint is fully up to speed with the expected

Northumberland County Council standards. More information about this post, including how to apply can be found on the [North East Jobs Website](#).

PARENTS EVENINGS

We were delighted that the vast majority of parents of pupils with SEND attended their child's parents' evening with Mrs Smith and class teachers this week. On Monday and Tuesday of next week we will be holding these for all other pupils in Nursery to Y6. We hope that as many parents as possible will attend to find out more about how the children are doing at school and how you can support them at home. We are also hoping that Mr Andriot from James Calvert Spence College (soon to be Coquet Community School) will be able to join us to speak to parents wanting to know more about the next steps for the children after they leave Amble Links. Please book appointments through the Arbor App;

YEAR 6 SPONSORED WALK

On Saturday 25th April, many of our Year 6 children are taking part in a 10 mile sponsored walk from Boulmer back to Amble to help raise funds towards their London trip in June.

The children will also be joined by a number of members of school staff and be supported at regular intervals along the way by parents manning refreshment stops. If you would like to offer any sponsorship we also have a form at the school office.

YEAR 5 RIVER WALK

Year 5 enjoyed a fantastic river walk along the River Coquet, travelling from school to Warkworth. Along the way, the children spotted a variety of wildlife and learned to identify key river features, including the estuary, where the river meets the North Sea. They discovered how this special area is influenced by the tides, creating a rich habitat for birds and marine life. It was a wonderful opportunity to explore geography in the real world while appreciating the natural environment. We had some very tired legs on arrival back at school after walking 6 miles.

Y1 ZOO TRIP

Reminder that our Year 1 Jellyfish children are off to visit Northumberland Zoo at Eshott on Monday. Please ensure that the children come to school in sensible footwear and also have a waterproof jacket. If not ordered from school, the children will also need to bring a packed lunch.
