ALL HOLIDAY DATES FOR 2025-26 and 2026-27 CAN BE FOUND ON THE SCHOOL WEBSITE [HERE](#).

## NON-UNIFORM DAY SUMMER FAIR PRIZES

Next Friday (12th June) we will be holding a non-uniform day in return for tombola prizes for our Summer Fair which is due to take place after school on Tuesday 30th June. We would really appreciate prizes of bottles, tins, sweets, smellies etc (but no toys please!). Your help will be very much appreciated! Look out for more information about the Summer Fair soon—we've got lots of exciting new games to try and win prizes on as well as many of the usual attractions.

## IN TO WIN WINNERS

Nearly 100 children in Reception to Y6 achieved 100% attendance with no more than one late mark last half term. Each of these children will enjoy an ice lolly with their friends at school. They were all also entered into the In To Win draw. One winner is drawn randomly from each class; those children will enjoy an ice cream treat at Spurreli. Our winners are: Finley H (R), Phoebe W (Y1), Amelia L (Y2), Alfie M (Y3), Parker H (Y4), Charlie N (Y5) and Luna V (Y6). Well done to all of our winners. Good attendance at school makes a huge positive difference!

## HALF TERMLY CLASS NEWSLETTERS

Half termly class newsletters are now available on the 'Our Curriculum' section of the [school website](#). These outline the learning that the children in each year group will be doing this half term and give some suggestions as to how you can help at home.

## WORLD CUP BREAKFAST CLUB

It's World Cup Breakfast Club next week! We hope to have as many children as possible attending to try some different foods from countries whose teams will be in this year's Word Cup Finals.

## Y6 FOOTBALL & BREAKDANCING FESTIVAL

This week, our Year 6 Curlews took part in a Freestyle Football and Breakdancing festival. After some very impressive demonstrations from the instructors and Mr O'Malley, the children tried some of their own moves before putting together a sequence of moves. See the video of their final performance on our Facebook Page.

## PHSE CONSULATION MEETING

Thanks to the small number of parents who attended our recent consultation meeting regarding changes to PHSE and Relationships/Sex Education. More information can be found [HERE](#).

## CHILDREN'S COUNTRYSIDE DAY

Our Year 3 & 4 children managed to avoid the worst of the weather and had a fantastic time at the Children's Countryside Day at Wooler where they were able to experience many aspects of country life. A big thank you to all staff and volunteers who helped out to make it all happen. It must have been a very tiring day! Photos are available on our school Facebook page.

## Y4 MULTIPLICATION TABLES CHECK & Y1 PHONICS SCREENING

This week, our Y4 children have completed their Multiplication Tables Checks. Mrs Oliver was very impressed with how the children tackled these and is expecting some great results. Next week our Year 1 children will be completing their Phonics Screening Checks. The results of these are nationally measured and an important measure of school performance. It is vital that children do not miss these tests so please ensure they are in school every day!

## ANIMAL ANTICS

Our Reception children enjoyed a visit from Animal Antics' yesterday, learning about a range of creatures. The children handled a millipede, cockroach, giant snail and a preying mantis. The highlight was holding a very large tarantula which most of the children bravely did whilst Miss Vescio kept her distance with a look of extreme fear on her face. See our Facebook Page and Tapestry.
