ANNUAL PARENTAL SURVEY

Chance to win a £25 Voucher

Yesterday, we sent out the link to our annual parental survey which gives you an opportunity to give feedback that we will use to help improve what we provide for your children at Amble Links. We read all of the responses as well as sharing a summary with staff and governors. To encourage as many responses as possible, an entry into a draw for a £25 voucher will be given when you respond (1 entry per family). We encourage you to complete one response for each child you have at school as we know the responses may well differ.

UPPER KS2 PERFORMANCE TICKETS

We still have a few tickets available for the Upper KS2 performances in the last week of term. Parents of Y5 & Y6 children who have not yet got tickets should contact Miss Kelly ASAP if they require them. We will parents know about the availability of any spare tickets as soon as we can.

Art - Thursday 9th July
Last daily after school club will be Thursday 16th July.

NURSERY SPORTS DAY

It is Nursery Sports Day on Monday (July 6th). Weather permitting, it will start at 1.30 and last approximately 45 minutes. The children will go home once sports day is finished. If it is sunny, please apply sunscreen before school. A drink will be provided. Everyone is welcome to come along and support the children. Come to the main Early Years (Green) gate from 1.15 onwards, please. The weather forecast for Monday does not currently look the best. We will inform parents by email and on our Facebook page should we need to cancel. Please see Tapestry for much more detailed information.

TRANSITION DAYS

This week's Transition Days have been a great success, with the vast majority of the children thoroughly enjoying the time in classrooms with their new teachers. The Amble Links Fairy sent some extra strong fairy dust to ensure that her magic lasted for 2 days. Across the school, the children enjoyed reading and doing some focused work around the story, 'The Midnight Panther' and we'll look forward to seeing some corridor displays that reflect this. We hope that having this extended transition time will reduce any worries that the children may have during the holiday about moving to a new class.

SUMMER FAIR

We were delighted that the weather held out, allowing us to run our Summer Fair on Tuesday. Mrs Caven-Gomez and her team did a fantastic job of organising the afternoon. We are extremely grateful to the team of volunteers and staff who came along and helped us set up and run the event. We would also like to thank everyone who came along and spent their pennies. We took over £2000 that will be used in a range of ways to support our pupils. Competition to be 'Welly Hoy' champion was tough; the winners are: Ada McMonagle, Tommy Anderson, Laylah Griffiths, Jaxon Morrison, Ronnie Dodds, Lilly Dickinson, Sofia Anderson, Steve Hanley & Emily Wintrip.

CATERING JOB VACANCY

We currently have a catering job advertised for a 16 hours per week Kitchen Assistant working daily over lunchtimes as part of our small kitchen team. More details of the job can found on the Jobs North East website [HERE](#) with all applications needing to be submitted by email.

THE BIG FUTURE SURVEY

THE BIG FUTURE is a landmark national survey launched by the Children's Commissioner for England, aimed at children and young people aged 0 to 18. Its goal is to gather over a million responses detailing what it's like to grow up today, including children's hobbies, concerns, and their vision for the future.

The survey can be accessed [HERE](#) and we are encouraging parents to complete this survey with their children.

PARENTS TO CLASSROOMS

Parents of children in KS2 are welcome to join the children in classrooms after assembly next Friday.
